THE COLLEGE FRANÇOIS-XAVIER-GARNEAU

Founded in Québec City in 1969, this francophone educational institution provides pre-university and technical programmes. More than 800 employees, including 650 instructors and educators, offer higher education to more than 6,850 students in the regular programme and just as many in the continuing education programme.

The College has distinguished itself in the fields of health, law, applied arts and intercultural training through several major achievements, including:

- Its **Physical Sciences Demonstration Centre**, which is unique in North America
- Its **health clinics** for the general public in:
 - physical rehabilitation
 - dental hygiene
 - nursing care
- Its **Public and Private Security Consortium**

In six languages:

English, Creole, Spanish, French, Portuguese and Lao.

OUR ACHIEVEMENTS...

As part of its wish to share the knowledge and techniques it has acquired so as to help improve the living conditions of people living in developing countries, **GARNEAU-INTERNATIONAL** is increasing the opportunities to put its abilities to use in the fields of technical and professional training and intercultural relations.
